Measures undertaken by CPM to mitigate the risk of COVID-19

Pursuant to the occurrence of, and in response to the increasing severity of the threat of, COVID-19, the Issuer and its subsidiaries are currently implementing a skeletal work force

and work-from-home policy to prevent their officers, staff and employees from getting infected with or exposed to the virus. This is in line with the Issuer's original safeguarding mechanism and its commitment to the employees that the employees be free from any health hazards or risks. In addition, CPM is still studying additional measures that may be taken in relation to COVID-19 prevention and control at the workplace. The Issuer does not expect that the implementation of a skeletal work force and work-from-home policy will have materially affect the regular business operations of the Issuer and its subsidiaries.
